Headquartered in Cairo with branches in Mansoura & Sohag. Leader in healthcare & wellness; specializing in organic supplements, medical supplies, and beauty cosmetics.

DH KSA

Kingdom of Saudi Arabia

The group's Saudi arm, operating regional offices in **Riyadh** and **Jeddah** to serve the Kingdom's rapidly expanding healthcare and wellness market.

DH Media

Cairo, Egypt

A Cairo-based premier Medical media and TV production agency delivering high-impact creative healthcare content and digital broadcasting solutions.

DH UAE

Dubai, United Arab Emirates

Based in Dubai, UAE, driving civil aviation business development with a core focus on advanced aviation security systems.

Strategic cross-border operational footprint establishing market dominance in Egypt, Saudi Arabia, and UAE.

NATURE-INSPIRED WELLNESS

A Commitment to Sustainability & Human Health

At Doctor Health, we believe that travel and nature are profound sources of inspiration, fueling countless creative ideas that shape our vision. Just as nature endlessly provides for us, we feel a deep responsibility to protect and preserve it.

- ✓ **Organic & Sustainable Ingredients:** Our products draw their full strength from the natural world, prioritizing clean, organic actives.
- ✓ **Eco-Friendly Production:** We strive to minimize our environmental footprint by ensuring our manufacturing processes strictly adhere to eco-conscious standards.
- ✓ **Biodegradable & Recyclable Packaging:** From sourcing to final shelf display, every step reflects our dedication to a healthier planet.

"At Doctor Health, we are not just crafting wellness solutions; we are nurturing a harmonious relationship between humanity and nature—because true health thrives when both are in balance."

NEXT-GEN BIO-TECHNOLOGY

Empowering Healthcare Through Artificial Intelligence & Innovation

At Doctor Health, we embrace a bold futuristic vision, leveraging cutting-edge biotechnology, smart formulation systems, and AI integration across all our domains. Innovation drives our commitment to delivering smarter, highly targeted, and more effective health solutions for a better tomorrow.

Precision Actives

NAWAH COLLECTION: INNOVATION

Pioneering Pharmaceutical Cosmetics
Hair & Skincare Powered by Date Kernel Oil

The Heritage & Science Behind NAWAH

- **NAWAH** represents a historic breakthrough in hair and skincare as the **first pharmaceutical-grade cosmetic line** utilizing Date Kernel Oil combined with premium organic actives.
- The name 'NAWAH' translates to '**seed**' (نواة) in Arabic, inspired by ancient Arab Bedouin beauty practices. Enhanced through scientific research, NAWAH leverages Date Kernel Oil's extraordinary antioxidant, nourishing, and restorative properties for total hair & skin rejuvenation.

High Antioxidants

Protects cellular structures from oxidation.

Deep Nourishment

Rich in essential fatty acids and Vitamin E.

NAWAH HAIR CARE COLLECTION

Zero Sulphate • Zero Paraben • Zero Silicone

Formulated to meet pharmaceutical-grade safety standards for natural and treated hair.

NAWAH Shampoo

Gently cleanses, reduces hair breakage, and reinforces follicle strength.

NAWAH Conditioner

Provides deep hydration, smooths hair fibers, and enhances manageability.

NAWAH Serum

Adds a protective barrier, eliminates frizz, and restores silky softness.

Anti-Hair Loss Spray

Contains DHT blockers to stimulate follicle growth and hair density.

NAWAH Hair Mask

Delivers deep moisture, repairing damaged strands for long-lasting vitality.

NAWAH Hair Cream

Lightweight daily moisturizer for taming and smoothing hair effortlessly.

Oil Replacement

Replenishes essential natural oils for rich nourishment and healthy shine.

Hair Hot Oil

Provides intense deep-tissue repair, hydration, and hair elasticity.

NAWAH SKINCARE & DRY OIL LINE

COMPREHENSIVE DERMATOLOGY PORTFOLIO

Medical Soap Line

Wide variety of soaps for all skin & hair purposes.

Facial Foam Wash

Purifies skin; perfectly fitted for oily skin types.

Whitening Cream

Targets dark spots and evens out skin tone.

Facial Toner & Nail Serum

Balances skin pH; provides cuticle care.

Whitening Facial Wash

Deeply cleanses while promoting a radiant complexion.

Eye Cream Contour

Reduces puffiness and smooths delicate fine lines.

Micellar Water & Remover

Removes makeup and impurities effectively.

Anti-Aging Cream

Ultimate solution for daily skin restoration.

NAWAH Dry Oil Collection

Multi-purpose dry oil powered by date kernel oil. Lightweight, ultra-absorbent for hair, face, body, and premium grooming to soften and nourish men's facial hair with a non-greasy feel.

Engineered according to Best Italian Premium Quality & Pharmaceutical Excellence standards.

NAD+ GEN 2 TECHNOLOGY

1. Clinical Nutrition & Body

VOY Base (Body Contouring)

PPC, Lipase, L-Carnitine & DMAE to refine stubborn contours and firm skin.

VOY Lift (Skin Restructuring)

Collagen, Elastin & HA to diminish stretch marks and restore elasticity.

VOY Genix-M (Cellular Vitality)

Optimizes energy pathways and supports systemic metabolic efficiency.

2. Advanced Derma & Aesthetics

VOY Gluta-C & HydVOY E

High-dose Glutathione, Vit C, Tranexamic Acid & PDRN for tone brightness.

VOY N (Cellular Renewal)

Multiaction biorevitalizing complex driven by HA & Growth Factors.

VOY L (Dual-Matrix Lifting)

Cross-Linked HA & Collagen Type I for structural lifting and volume.

3. Trichology & Scalp Health

VOY Capilium

Advanced Follicular Therapy powered by NAD+ Gen 2 technology alongside the **Triple RCP Complex** (Redensyl, Capixyl, Procapil), Growth Factors, and Saw Palmetto to stimulate hair growth and strengthen roots.
